

Salient Features

- Air Quality - As Per ISO 8573-1
- Warranty For Elements
- Coloured Elements for Specific Grade
- Low Pressure Drop

WORKING PRESSURE 7

Maximum Operating Pressure	30 bar g	30 bar g
Recommended Pressure Differential for element change	0.7 bar g	0.7 bar g
Media	Poly Propylene	Boro Silicate
Efficiency		99%

* Specifications are subject to change due to up gradation in all industries
